**College Auditorium
GHMC, Kozhikode**

Warm Greetings!

It is with great pleasure and a deep sense of honour that we invite you to the National Seminar on “**Interdisciplinary Approaches in Integrative Palliative Care**”, organized by Govt. Homoeopathic Medical College, Kozhikode in association with the National Association of Palliative Care for AYUSH & Integrative Medicine (NAPCAIM), to be held on **23rd August 2025** at the College Auditorium as a part of our Golden Jubilee Celebration – “**ALOKA 2025.**”

The Pain and Palliative Care Project at Govt. Homoeopathic Medical College, Kozhikode, was initiated in 2001 and the facility was later expanded to a 20-bedded unit. Patients are managed exclusively with homoeopathic treatment, supported by accessory measures. The institution also houses a well-equipped physiotherapy unit, offering rehabilitation services, particularly for neurological conditions

The seminar aims to bring together professionals and scholars from various health systems to explore holistic and interventional approaches for mitigating sufferings associated with life-limiting illnesses. Featuring distinguished speakers, eminent academicians, clinicians, and researchers, the event is designed to foster interdisciplinary professional growth, knowledge exchange, and collaborative learning.

Your presence and active participation will greatly enrich the scientific discourse and contribute to the success of this academic endeavour. We look forward to welcoming you and sharing a memorable and impactful learning experience.
