

YENEPOYA

Homoeopathic Medical
College & Hospital

AYUSH Campus, Naringana, Mangaluru-575018

A CONSTITUENT COLLEGE OF YENEPOYA (DEEMED TO BE UNIVERSITY)

National Workshop on **CASE REPORT WRITING**

23/02/2026 **9:30 am to 5.00 pm**

VENUE Lecture hall-2,
Yenepoya Homeopathic Medical College

ABOUT THE EVENT:

Case reports are the weakest form of scientific evidence. However, the brilliant cures achieved by homeopathic doctors are not recognized as scientific evidence because they are not published in a peer-reviewed, indexed journal. In this scenario, the Yenepoya Homeopathic Medical College has geared up to provide the necessary training for homeopathic doctors to publish their case reports. We will provide hands-on experience in writing a case report using the software '**CARE writer**'. We will provide participants with case material and guide them in converting it into a case report. Additionally, we will introduce participants to **Grammarly** and **Zotero**. We will also teach participants to identify peer-reviewed, indexed journals and select the appropriate journal for their manuscript.

The event is open to **twenty participants**. The registration fee for the members is **Rs 700**. The fees include morning tea with snacks, lunch, evening tea with snacks, and stationery items. Please register and pay the fees by scanning the QR code. Share the screenshot of the payment with Mr G P Abhijith.

Note to the participants: Please bring your fully charged laptop/netbook/Chromebook/tablet for the event.

Organizing Chairman: Dr. Vijayendra V. Itagi

Organizing Secretary: Dr. Kurian P.J

Phone number: 9740935383

For inquiries related to registration, contact :

Mr. G.P Abhijith

Research Assistant, at 7780605169

Accommodation: Participants have to arrange their own accommodation. However, we recommend the following sites for staying.

Hotel Comfort Inn: Contact number: 709 094 0330. Aurelia comforts: 0824-6637199

Transportation: We are happy to provide transportation from the main entrance of the Yenepoya (Deemed to be University) on 23rd February at 8:45 am to the venue located at the AYUSH campus (approximately 8km from the University campus). Contact: **Dr Harinarayanan at 9738508386**

RESOURCE PERSONS

We are pleased to introduce **Dr. Kurian P J** as the esteemed resource person for the Case Report Writing Workshop. Dr Kurian is a Professor at Yenepoya (Deemed to be University) with extensive experience in clinical trials, animal trials, and homeopathic pathogenetic trials. He holds an MD in Homeopathy from Father Muller Homeopathic Medical College & Hospital, where he achieved **first rank** in the MD examination conducted by Rajiv Gandhi University of Health Sciences. Dr Kurian also secured **third place** in his BHMS examination at Mahatma Gandhi University. He has further enhanced his qualifications with biomedical research, biostatistics, and scientific writing certifications from esteemed institutions such as the **Indian Institute of Technology**, Madras, the **National Institute of Epidemiology**, and **Stanford University**. Notably, he was a **topper** in the Fundamentals of Health Research course, ranking in the 99th percentile. Dr. Kurian has an impressive research portfolio and has published in reputed journals such as *Homeopathy*, *Journal of Evidence-Based Complementary & Alternative Medicine*, *Chinese Journal of Integrative Medicine*, *International Journal for High Dilution Research*, *BIOMEDICINE*, and *Indian Journal for Research in Homeopathy*. Furthermore, he is a reviewer for *Homeopathy*, *International Journal for High Dilution Research*, and the *Journal of Integrated Standardized Homoeopathy*. His expertise in research methodologies and commitment to advancing homeopathic sciences make him a valuable guide for this workshop.

We introduce **Dr Vincer George**, a Professor at Yenepoya (Deemed to be University). He specializes in conducting animal experiments and is proficient in histopathology and biotechnology techniques. His expertise encompasses research methodologies, scientific writing, and delivering oral and poster presentations at national and international forums, focusing on the ethical and scientific considerations of biomedical research. He has recently submitted his PhD thesis to Yenepoya (Deemed to be University), in which he explains the mechanism of action of Calendula in wound healing. Moreover, he completed courses like: Health Research Fundamentals from the **National Institute for Epidemiology**, Research Ethics from the **Indian Council for Medical Research**, and Scientific Writing from **HNB Garhwal University**. Furthermore, he has published in the *Indian Journal of Research in Homeopathy* and is a reviewer for the *International Journal of High Dilution Research*.
