Dr. Sajeew Vasudevan and Dr. Vinod Joseph are ace academicians and eminent teachers whose years of experience and profound clinical acumen have been instrumental in motivating and mentoring young physicians.

These two figures are regarded as gems of Homeopathy in India. Both are distinguished alumni of the Government Homoeopathic Medical College, Thiruvananthapuram.

Dr. Sajeew Vasudevan, who specialized in Medicine during his post-graduation, currently serves as the Chief Medical Officer in the Department of Homoeopathy. Dr. Vinod Joseph is the Cochin Campus Coordinator for the E-learning Program of George Vithoulkas' International Academy of Classical Homeopathy, Greece.

Their commitment to the field is further highlighted by their service to the Indian Homoeopathic Medical Association (IHMA), where they held key roles as Directors of the School of Homeopathy and the Indian Homeopathic Research Centre at the State and National Levels, respectively

Dr Ramzal Thattarakkal
BHMS, MSc Psychology,
MBA (Hospital Management)

Dr Ramzal is a renowned Homeopathic physician and psychologist with a strong focus on reversing lifestyle diseases through holistic, evidence-based care. With years of clinical experience and expertise in mental health, he has empowered thousands to overcome their diseases. As a health influencer with 190K followers on social media, he advocates preventive care and sustainable wellness for modern living. Dr Ramzal now serves as the Media Committee Convenor of IHMA Kerala.
